# *A Beautiful Place* in time

**These pages:** The early evening view from the BBQ area over the pool shows the bedrooms at the far end and the expansive communal areas to the left. Particularly attractive is how the copper light shades accentuate the sumptuous wood in the open dining area.

The delightfully evocative name, Windu Sari, translates directly as "a beautiful place in time" and nothing perhaps describes this tranquil oasis, set on Bali's southwest coast in Pettitenget, more eloquently.
